Once a red brick schoolhouse in the middle of nowhere, now the pueblo-style showpiece of a contemporary state university, the University of New Mexico's Hodgin Hall holds fond memories for more than 76,000 UNM alumni. The **Hodgin Hall Brick Brigade** is making available to you the chance to commemorate your own or a loved one's days at UNM with a personalized brick laid in a handsome walkway leading to Hodgin's main entrance.

Your purchase of a personalized brick will endow equally Hodgin Hall's and the UNM Alumni Association's future. Funds raised will assure Hodgin Hall's maintenance and renovation while supporting the efforts of the UNM Alumni Association.

Eventually, 5,100 bricks will form the walkway leading from Hodgin's front (east) doorway around the fountain to the parking lot. The space nearest Hodgin Hall is reserved for orders of 32 or more bricks; other bricks will be placed near the building on a first come, first served basis.

Each 7.5" x 3.75" brick may be engraved with two lines of 13 characters each. You may want to consider buying — at a discount — groups of bricks that can be engraved with longer messages.

# of Bricks	Cost
1	\$100

**A**re you a student or a recent (within the past five years) alum? Or do you have a relative or friend about to graduate from UNM? A personalized brick makes a lasting gift. The recipient can return for years to UNM and find a visible imprint of his or her collegiate experience.

**A** special discount makes this an even more appealing opportunity. Purchase a brick for a student or recent grad for just \$75 each.
