UNM TRAILBLAZERS

Student Alumni
Association

WHAT IS TRAILBLAZERS?

Trailblazers is a student alumni ambassador organization in which members serve as ambassadors for the University of New Mexico Alumni Association. Trailblazers volunteer in functions sponsored by the University, the Alumni Association, and various UNM departments.

Trailblazers share the pride of the University of New Mexico, its history, and its traditions with the UNM community.

Participation in Trailblazers provides members with an opportunity to further develop leadership skills through interaction with other student leaders, alumni, faculty, staff, administrators, and community members.

Members also have an opportunity to participate in district and national workshops and conferences. Trailblazers also serve as the governing board for the Student Alumni Association (SAA).

Trailblazers are members of District 4, Association of Student Advancement Programs (ASAP).

WHERE TRAILBLAZERS BLAZE TRAILS:
