CELEBRATE & REMEMBER

Alumni Memorial Chapel: A Place to Celebrate and Remember

The first chapel dedication took place on Founder's Day, February 28, 1962. Built as a memorial to alumni killed in the nation's wars, the UNM Alumni Memorial Chapel has served the campus community in joyful and trying times. Dedicated to UNM's fallen soldiers of World Wars I and II, Korea, Viet Nam, Iraq, and Afghanistan, whose names are listed on its south wall. The Chapel is a place of both reflection and remembrance. Thousands of weddings and numerous memorials have taken place within its walls. Its simple elegance complements any occasion, public or personal.

Alma Mater

New Mexico, New Mexico
We sing to honor thee.
This golden haze of college days
Will live in memory.
This praise we sing will ever ring
With truth and loyalty,
New Mexico, your fame we know
Will last eternally.

*Hosted by the UNM Alumni Relations Office
and the UNM Alumni Association*
